

GLOBAL SUPPLY CHAIN DIAGNOSTICS

A data-driven view of revenue, customer value,
fulfillment, and risk

180,519

rows across 53 columns

Executive summary revealing where **action** is
most **urgent**

KEY FEATURES

180,519

rows across 53 columns

Customer, product, order, shipping,
and fulfillment features

Dropped Order Zipcode and
Product Description as lower-value fields

Validated product-price alignment and order-
to-shipping date sequence

REVENUE IS CONCENTRATED IN THREE ENGINES

regional market mix

56%+

LATAM (28.6%) and Europe (27.8%)
together exceed half of revenue

Pacific Asia (22.9%) is the next
expansion platform

USCA (14.3%) and Africa (6.4%)
remain underpenetrated

GROWTH IS VALUABLE— BUT NOT YET RESILIENT

\$181–\$183

average spend per customer
is broadly uniform

\$19.09M

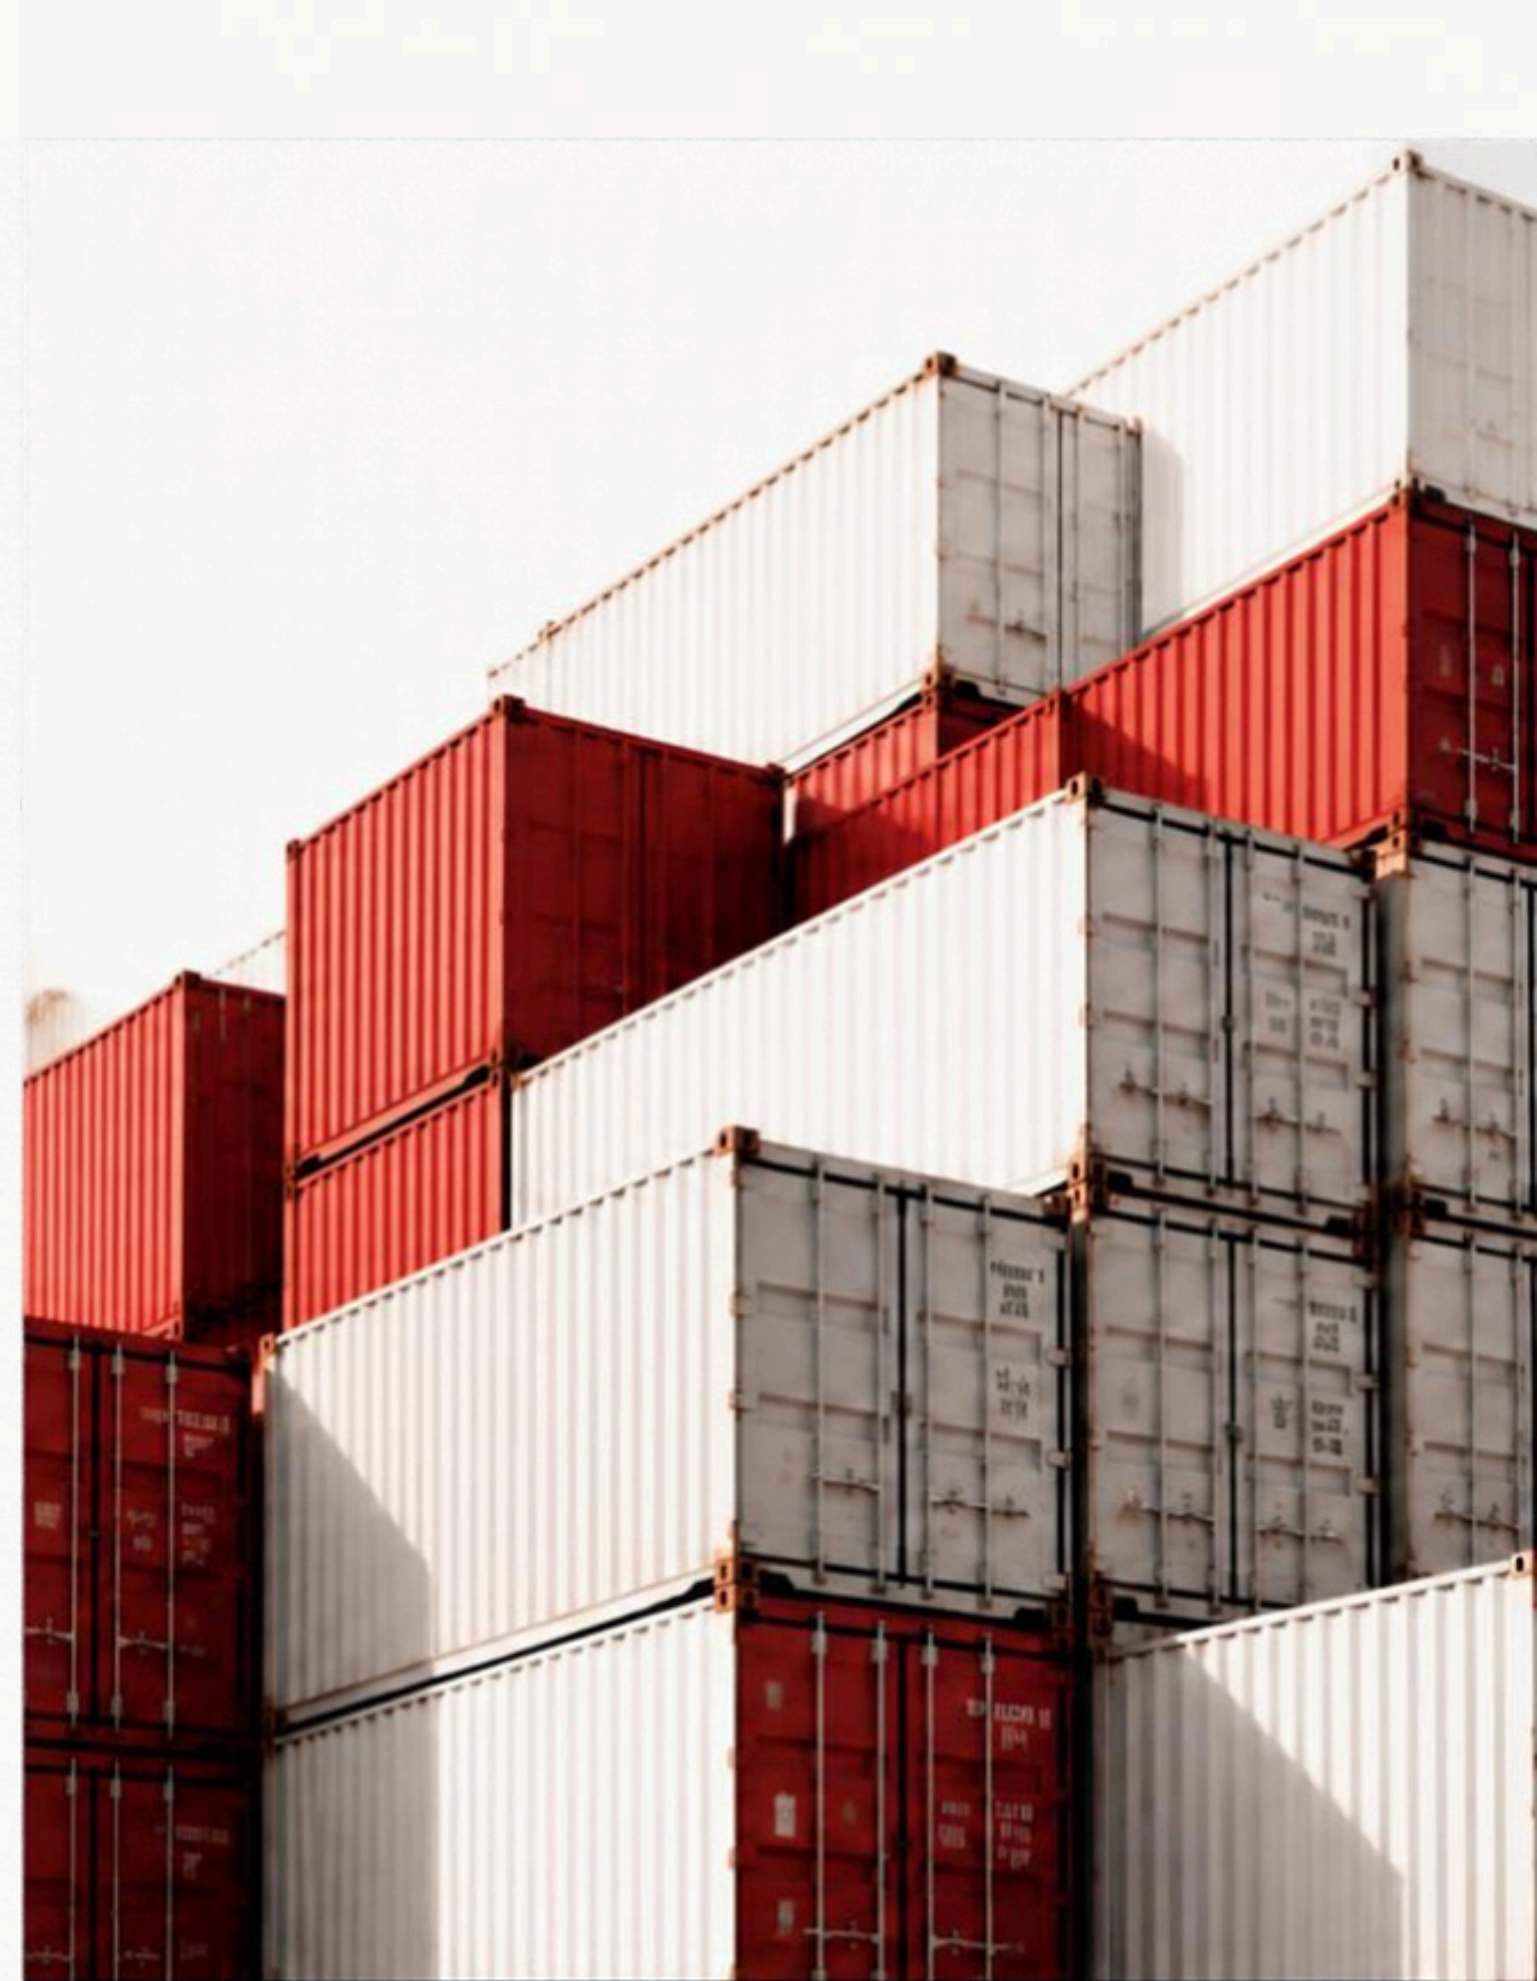

from 93,504 orders
led by the Consumer segment

\$1.83M & \$881K

Fan Shop and Apparel
are the largest profit anchors

11.8%–13.1%

profit ratios in high-volume
departments; Book Shop
and Pet Shop trail

FULFILLMENT RISK SITS ON THE BIGGEST BETS

**Perfect Fitness Perfect
Rip Deck**

high late-delivery exposure

30%

late deliveries

**Nike Men's CJ Elite 2
TD Football Cleat**

high late-delivery exposure

28%

late deliveries

**Field & Stream
Sportsman 16 Gun Fire Safe**

top revenue product

\$7.0M

revenue

**Cancellation exposure on high-ticket items
can erode realized revenue and customer trust**

GROWTH IS UP; ORDER VOLUME AND TRUST NEED ATTENTION

\$33,638

reported sales
up 197% versus \$11,342 baseline

5,107,854

orders
down 1.36% versus 5,178,243

\$196.37

average order value

4,062

suspected fraud incidents
concentrated in EE. UU. 2,413 and
Puerto Rico 1,649

SIX MOVES TO PROTECT THE GROWTH CURVE

-
- 01** Prioritize fulfillment for top revenue generators
 - 02** Re-engage dormant cohorts using RFM-based retention workflows
 - 03** Shift incremental regional marketing toward Pacific Asia and USCA
 - 04** Tighten AVS and 3-D Secure controls in high-risk geographies
 - 05** Use cross-sell and bundling to grow basket size
 - 06** Investigate the order-count contraction through funnel analysis
